Dear Martin, I will observe enclosed declaration of "Aims  
and Principles" of "Glasgow Anarchist Group".  
In sending copies to groups and individuals throughout  
Scotland who have an anarchist orientation. Purpose  
is to have them cognisant in advance which may facilitate  
discussion at intended conference for the projection of  
a "Scottish Anarchist Federation". Please give your  
views on this which could be submitted to conference and  
may render fruitful assistance. Would you please  
do this at your earliest convenience?

For a variety of reasons "Summer School"  
has been postponed. We have acquired premises which  
we call "Solidarity Centre". Not suitable for School.  
Those who have made donations we hope will not  
object to them going towards cost of Centre upkeep,  
rent, general maintenance etc.

Yours, As B. 4

Robert

Dear Maister,

Enclosing registration form for  
"Summer School". Agenda is virtually  
complete. Registration assists us in planning  
accommodation, food, coach seating requirements  
for coach trip.

Early response strongly desired and highly appreciated.

Yours,  
With a clenched fist  
and a bent elbow.

Robert Lynn.

P.S. Hoping "Summer School" will be instrumental  
in the formulation of a "National Federation"
